QUALITY TRUCK & TRAILER PARTS

144

**FACTORY - KONYA, TURKEY**

Our plant is 17.000 m2 squared closed area.  
We have totaly 220stuff ;  
170 blue collar + 50 white collar.

**HEAD OFFICE - İSTANBUL, TURKEY**

We have 22 employee at this location.

**DOMESTIC SALES BRANCH  
ANKARA, TURKEY**

We have 6 responsible at this location

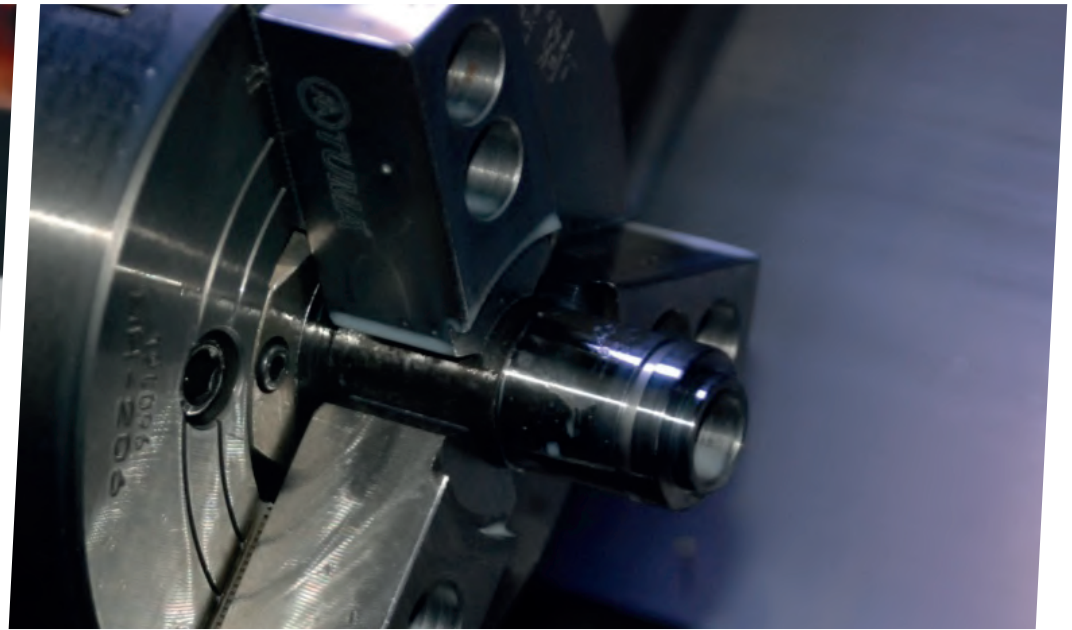

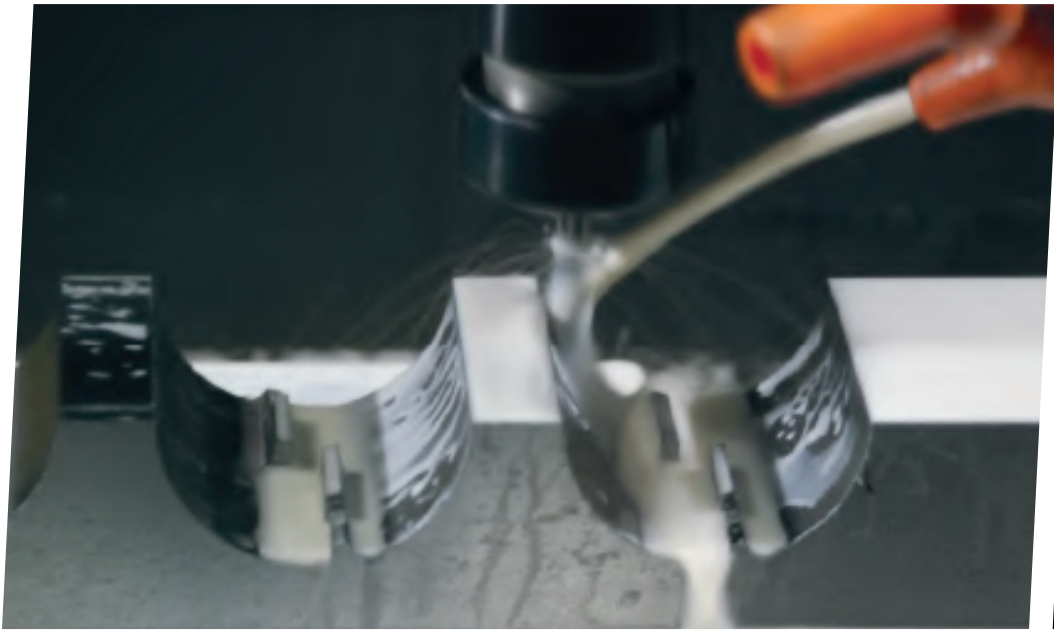

**DOMESTIC SALES BRANCH - İZMİR, TURKEY**

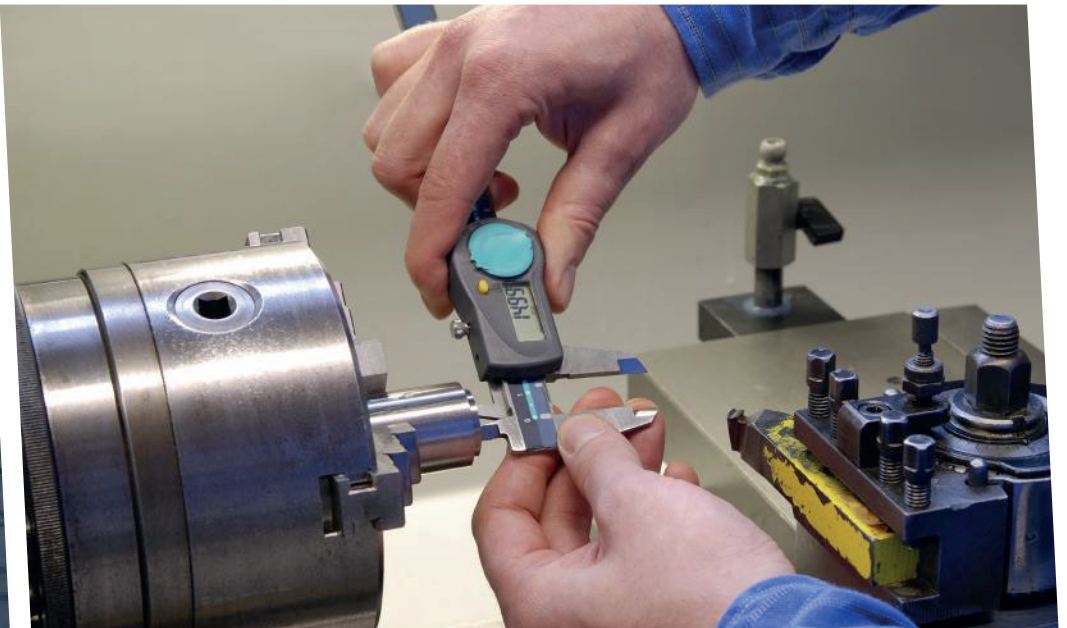

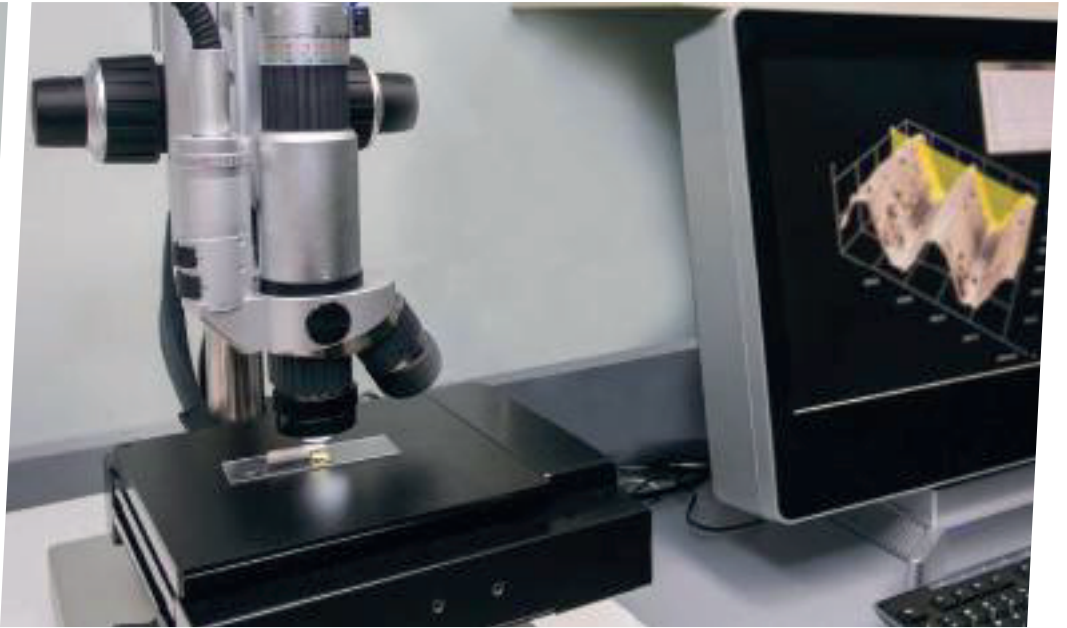

We are 4 persons there.

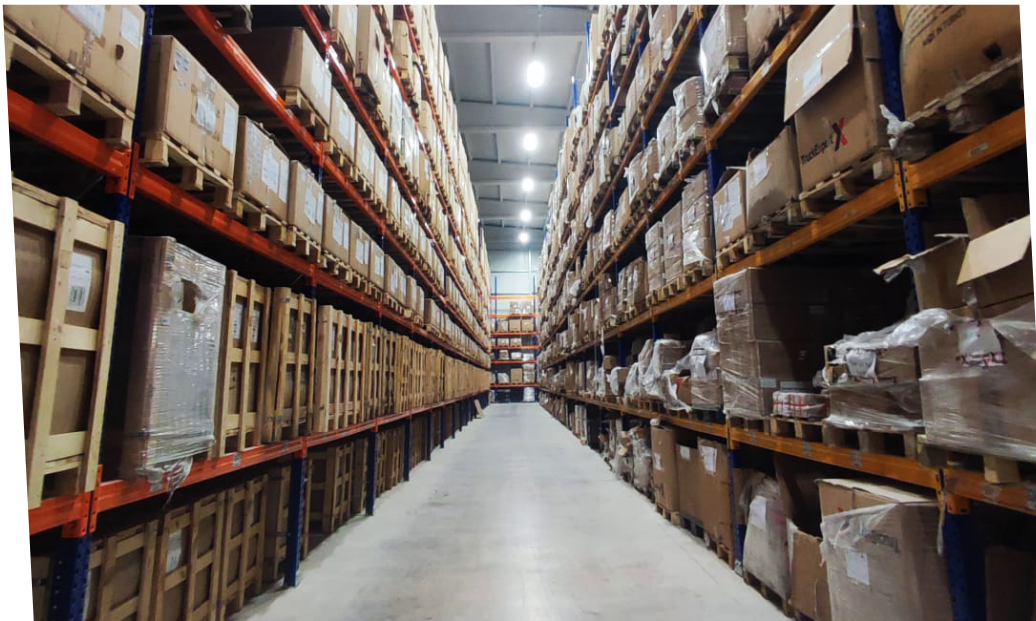

**DOMESTIC SALES BRANCH - ANTEP, TURKEY**

2 salesman are working at this branch.

- Professional Team
- 10 years experience
- Well known brand name
- Ensurance of good quality – good price
- Stock availability
- Wide product range via one source

- All raw materials' quality reports are received and tested at our own labs in factory
- Semi products sources are inspected by our engineers
- Our labs , test machines , tools, equipments are inspected by international councils regularly , all result reports are saved at records
- Products firstly are tested for quality at factory , then last checks are made at logistic center by engineers

- Technical oriented, experienced sales specialists make the best pricings
- All technical supports are made on time and customer feedbacks are saved as treasure
- Lead times are optimized to be the earliest time and right infos are released to customers

- Technical Expert Purchasing Engineers organise the supply chain on optimum level
- We make regular market searches to find the better sources
- All technical questions are replied on time to customers
- Not to have any delay on chain , we have alternative sources forever

- We use suitable boxes according to product weight & sizes
- On TruckExpert branded products , all stickers have TruckExpert code , OE code and description . For security of box , we use homologation stickers
- If the products have customer private label , packing conditions are agreed with the customer
- According to customer demand , we can write any brand & logo & code to on products

- If customer has not any special demand , we use 120\*80\*80 EUR pallets on shipments
- Each pallet is covered 23 micron film in order to avoid weather condition
- According to product inherit , we can make some supports to make boxes & pallets stronger
- 1 pallet is not heavier than 700 kg.

**We are going on our way without sacrifice anything from product quality & service performance and make the customer care as our first priority. We are trying to add value on society and environment, each success is providing us bigger targets to reach and give a chance to touch more person globally.**

\* Our aim is to grow together with our staff and customers in a short time and to be one of the big players in global market; get the value through right, ethic, efficient strategies.
